Man

*Colvin,
Good Luck
in future
years at
will*

*This has been your year at EHS—
no one can relive it for you—*

*We can only attempt to capture
some of its memories.*

DESIDERATA

Go placidly amid the noise & haste, & remember what peace there may be in silence. As far as possible without surrender, be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they, too, have their story. Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans.* Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.*Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass.*Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. * You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.*Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. * With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy.*

**REPRINTED FROM "POEMS OF MAX EHRMANN"*

*Go placidly amid the noise & haste, & remember what
peace there may be in silence . . .*

BRIAN

*You are a child of the universe, no less than the trees
& the stars; you have a right to be here . . .*

FROM LIFE

*Her thoughts are like a flock of butterflies.
She has a merry love of little things,
And a bright flutter of speech, whereto she brings
A threefold elegance—voice, hands, and eyes.
Yet under all a subtle silence lies
As a bird's heart is hidden by its wings;
And you shall search through many wanderings
The fairyland of her realities.*

*She hides herself behind a busy brain—
A woman, with a child's laugh in her blood;
A maid wearing the shadow of motherhood—
Wise with the quiet memory of old pain,
As the soft glamor of remembered rain
Hallows the gladness of a sunlit wood.*

The class of 1972 left their years at EHS with a feeling of success. The graduates excelled in activities such as sports, music, speaking, writing, art, acting, and scholastic achievements. The seniors united together but also excelled individually. The class of '72 has taken advantage of the wide selection of opportunities EHS offered and graduated as better individuals because of it. 1972 graduates left with set goals in life and are united in striving to obtain a better world in the future.

LET THERE BE PEACE ON EARTH

*Let there be peace on earth,
And let it begin with me;
Let there be peace on earth,
The peace that was meant to be.
With God as our Father,
Brothers all are we.
Let me walk with my brother
In perfect harmony.
Let peace begin with me,*

*Let this be the moment now;
With every step I take,
Let this be my solemn vow:
To take each moment
and live each moment
In peace eternally.
Let there be peace on earth,
And let it begin with me.*

The Class of 1973 has a determination that will carry them on to success in the future. The Juniors reputation as hard workers in all phases of activities in EHS shows effort without recognition. The Prom was the highlight of their year as Juniors which they carried off with much success. The Juniors look forward with enthusiasm to their future year at EHS and the time when they bear the title, "The Graduating Class of 1973."

The Class of 1974 possesses a rare type of enthusiasm and a binding spirit. The Sophomores joined together to create a unified strength in all activities of EHS. With total participation from their class they excelled in student council, drama and sports, receiving respect from other classes. This class will surely help to secure our future through a binding, involved leadership.

1975

The Class of 1975 shows great capability in achieving even higher standards than the classes they will follow. They strive to achieve perfection in work and spirit. Their eagerness and interest in activities of EHS have made them valuable as members of the school population. The Freshman Class is the largest, but their spirit and energy surpasses even their size. The Class of 1975 shows great promise in their future years at EHS and ability to cope with responsibilities that will be handed down to them.

FACULTY

MR. DAVID ROSS, SUPERINTENDENT
ELKHORN AREA SCHOOLS

The next years will bring many changes in our way of life. These changes will not be so great in material blessings, but changes will come in the ways we live and associate with each other. The family, the church, the school, local and regional government—all will be subject to pressures for change, and changes will be forthcoming.

Not all changes will be good. (We are finding, as our ecological environment crumbles about us, that the technological "improvements" of the past years provided only fleeting material comforts.) Not all changes will be needed or wise. Some few changes will be worthy of consideration.

Graduates of Elkhorn Area High School are fortunate in that they come from a community and school which has provided an excellent background to judge the quality of changes to be considered in future days. Our community's watchword has been, "Progress with care and responsibility." This philosophy will be valuable to our young adults in the years ahead as they must face decision-involvement in such issues as ending local control of schools, abolishment of township government, taxation of church properties, state assumption of child training, and other difficult and sensitive issues.

Our hope is that the stability of school and community background of Elkhorn Area graduates will produce active young citizens able to promote wise social decisions for our people.

The English Department has completed another successful year. Through the many courses offered, students may attain background in literature, composition and speech. The Resource Center, with a wide selection of materials for leisure reading, reference work and audio visual instruction, provides a place for study and relaxation. In addition to classes, the Department makes it possible for students to participate in extra-curricular activities such as theatre, journalism, and forensics.

World Culture, American History and American Problems—it is through these courses that the history department prepares the future citizens of our country. Their teaching experience is very important because of the increasing role that the student is attaining in our society. Courses in Psychology and Sociology are also offered to the Seniors. These courses give the student the opportunity to understand his behavior and the behavior of the society in which he lives.

JOHN GIBOWSKI

A main concern has been to attempt to reach all individuals by any means available. In using the team teaching method in more courses, the availability of flexible scheduling and grouping have done much to attain these goals.

SCIENCE DEPT.

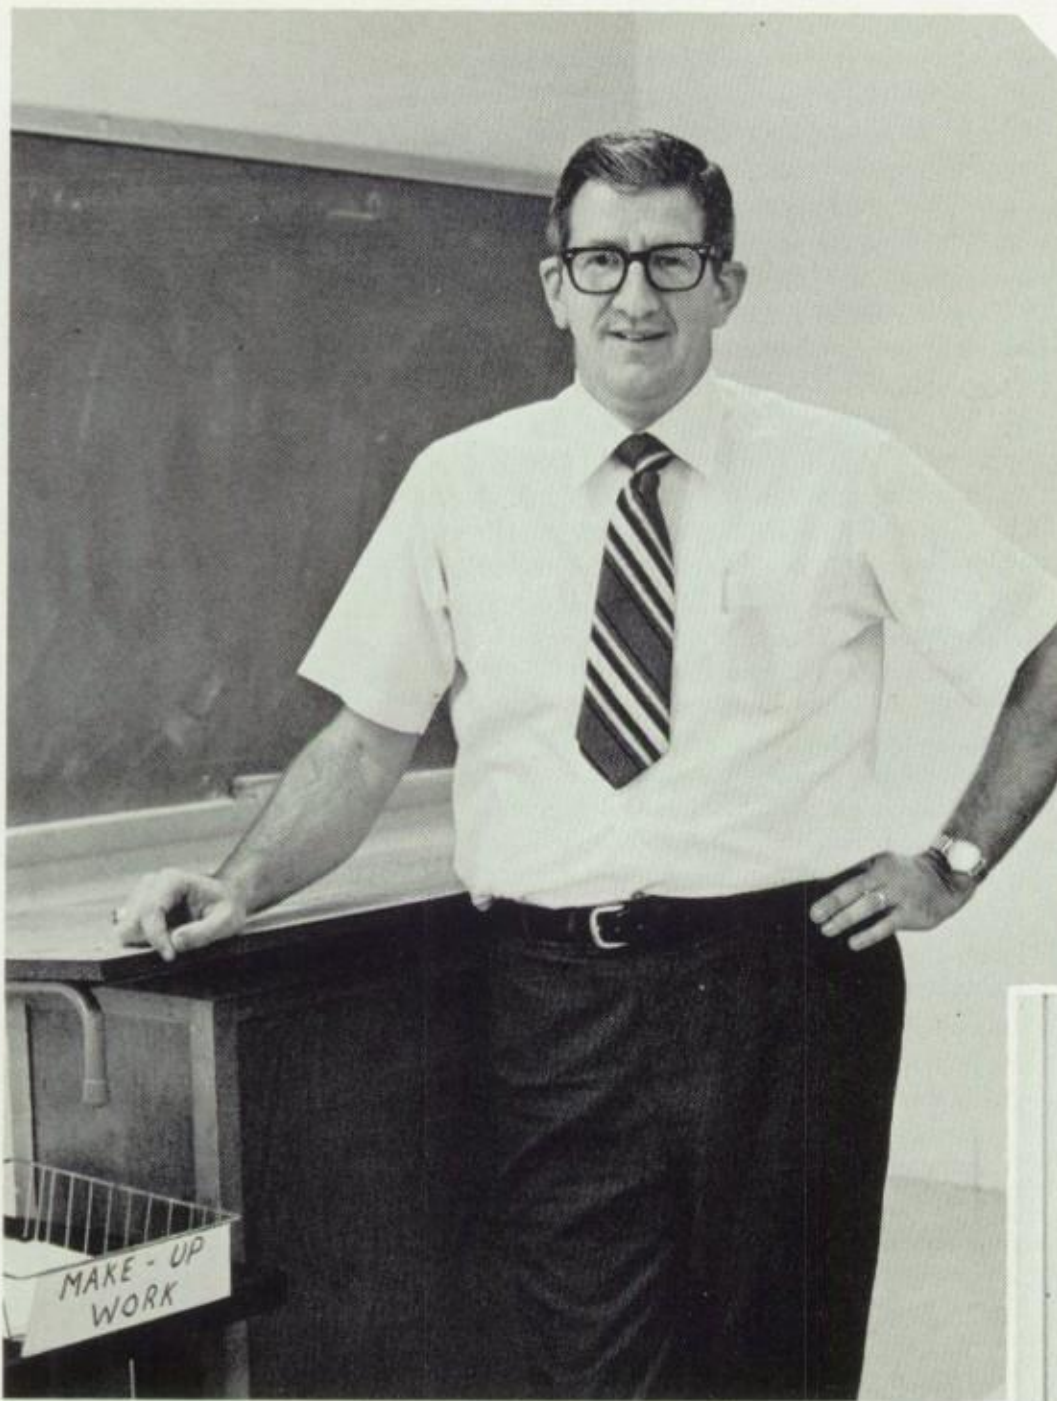

LEONARD HAGER

WILLIAM BRUCE KING

The sciences at E.H.S. cover a broad variety of interests. A down to earth course is offered as the mechanics for the physical science branch. Biology and Physiology dissect the basic concepts of all living matter. A flame may be ignited in the hearts of those students who pursue the challenges offered in Chemistry and Physics.

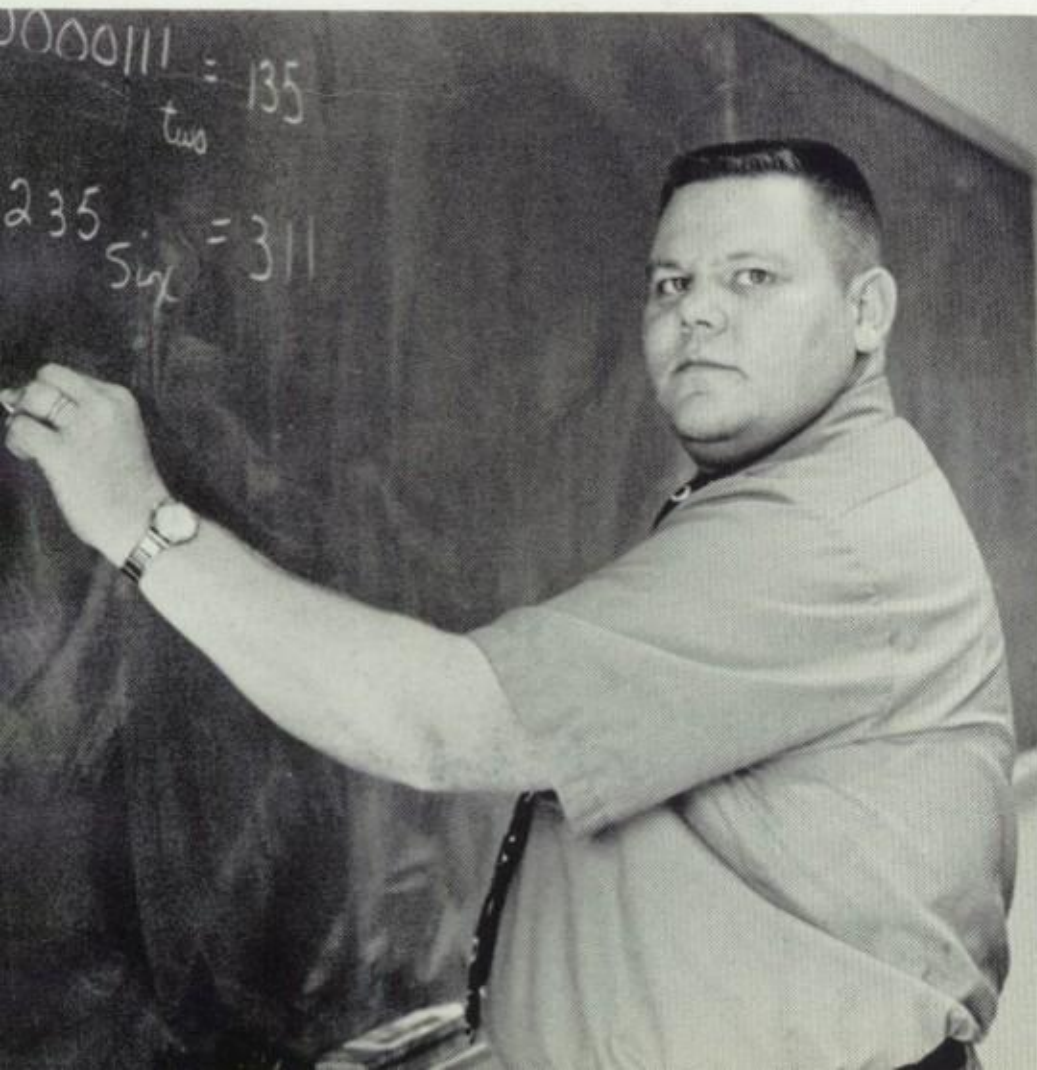

The annual Science Fair allows the students of all the math and science courses to increase their knowledge through unusual and enlightening projects.

DONALD WOLF

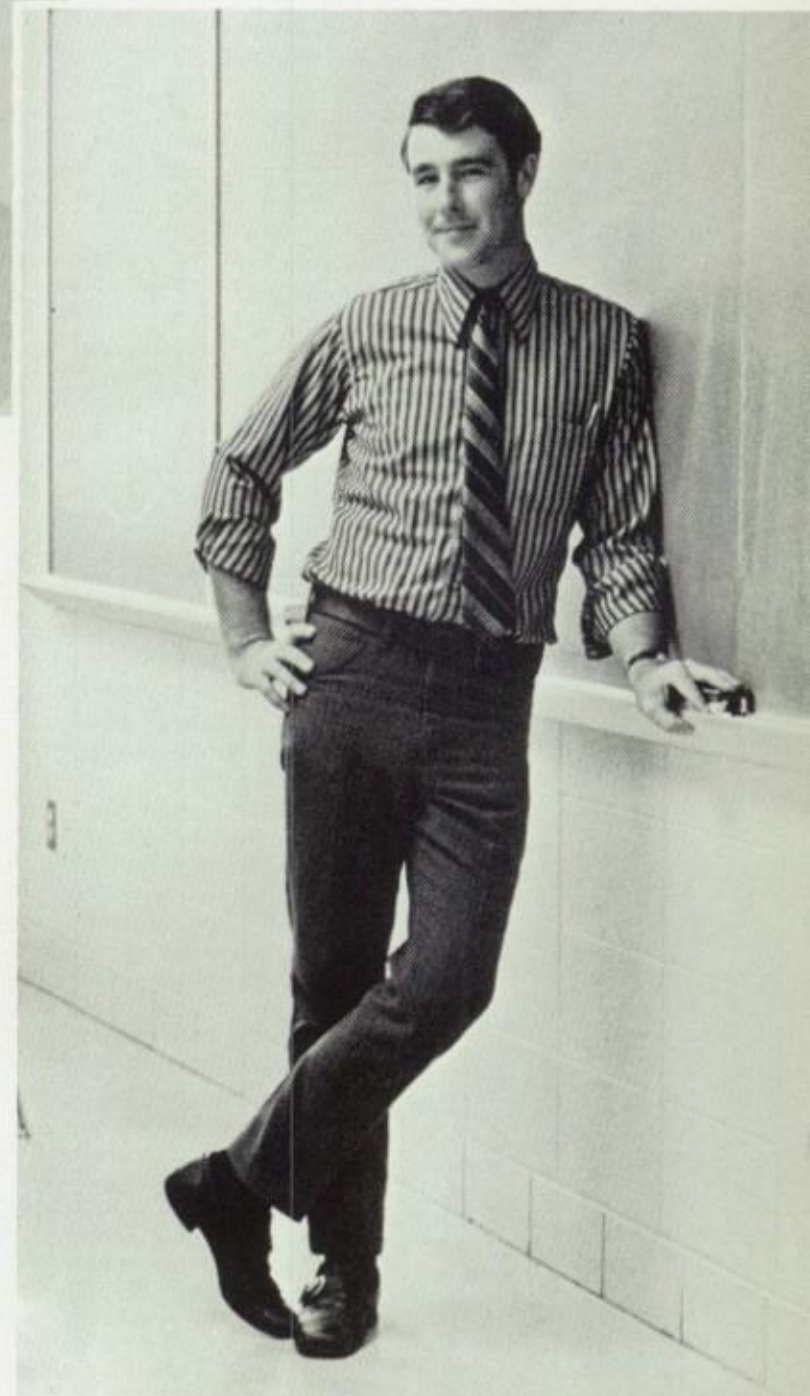

If a student's angle is mathematics, then he will not rule out the E.H.S. math department. Here the basic techniques are stressed for solving the real root of all numerical problems. A student may find his origin with Pre-Algebra, Algebra I and II, Geometry, and if the factors are favorable—Advanced Math. This area may just be the turning point of a student's mathematical career.

LANGUAGE

Latin and Spanish are the two foreign languages which may be comprehended at E.H.S. Of the two languages, Latin may be classified as a language more for reading and writing rather than a speaking language as is Spanish. Both languages do become quite helpful when English derivations are sought.

MICHAEL HENSEN

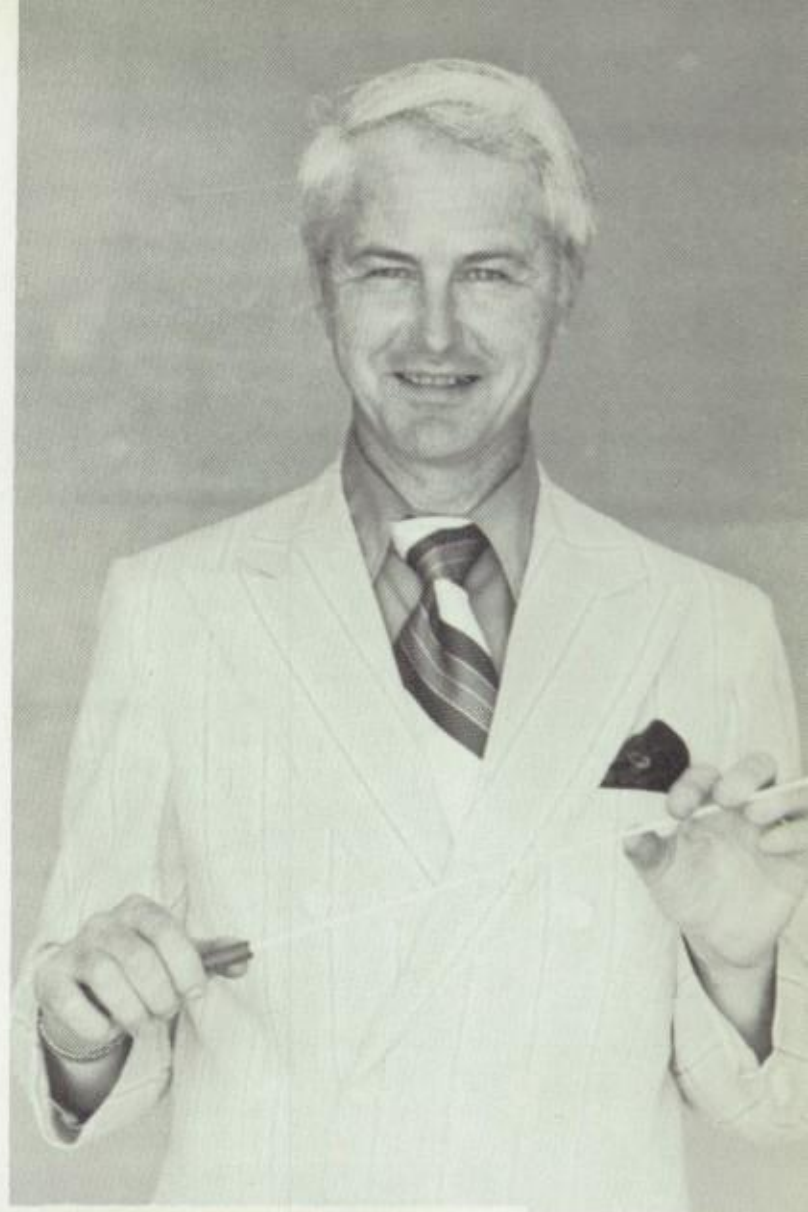

MICHAEL CHASE

MUSIC DEPT.

The musical talents of EHS students are displayed through the Music Departments' many activities. The chorus performs three concerts, Christmas, Mid-winter, and Spring; sharing their talent with the public. The band also entertains the school through the pep band, stage band, and ensembles. The chorus and the band enter participants in various contests. The many activities the Music Department offers helps to give the student a sense of accomplishment and self-esteem.

RALPH HUGHES

ART

The Art Department offers a wide range of courses, from the basics to courses for the advanced. Courses are designed for everyone, from those who have a casual interest in art to those who have serious thoughts about pursuing a career in art.

DRIVER'S EDUCATION

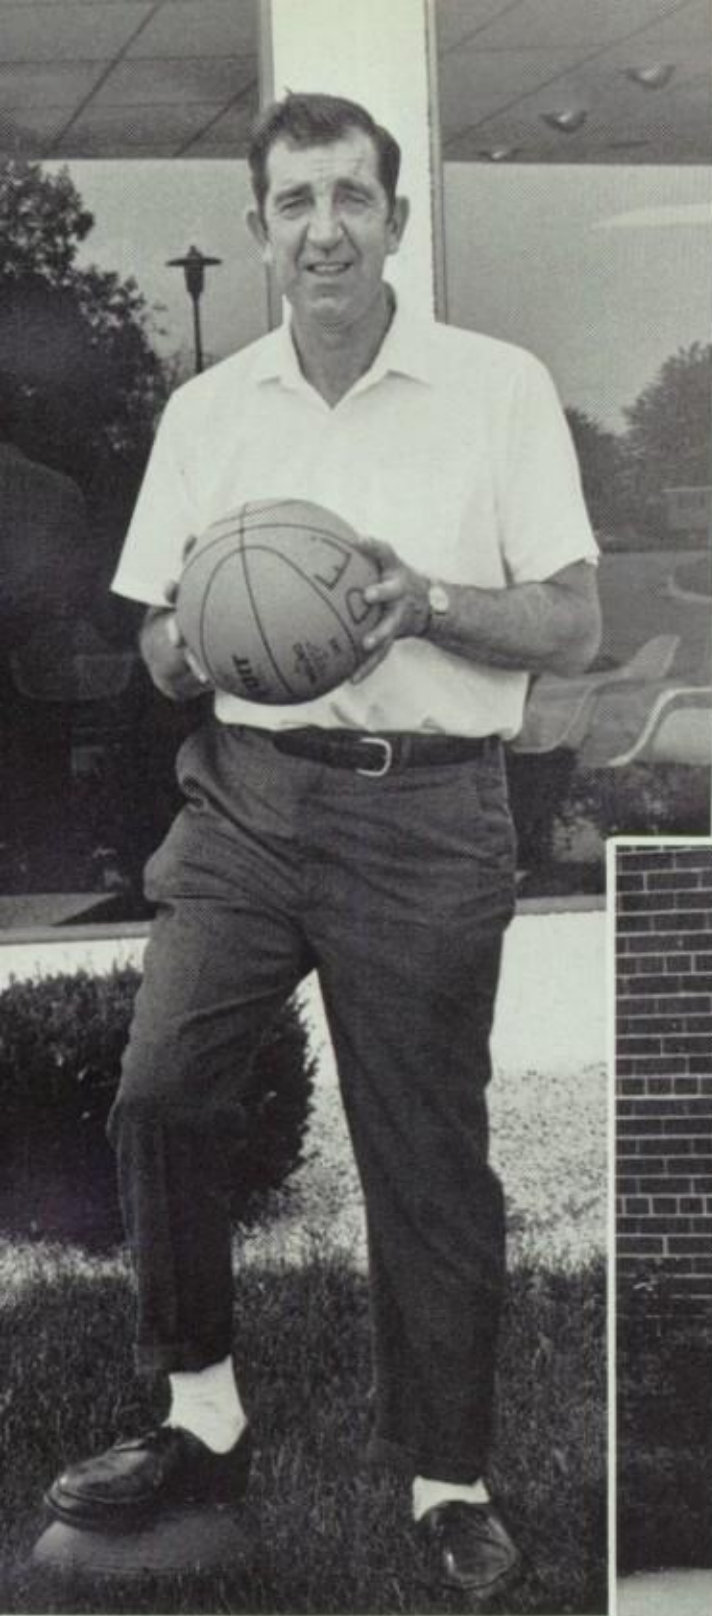

EDWARD THALACKER

JAMES FISHER

"Can't Keep My Eyes Off of You" hums Mr. Fisher as a student driver goes through his daily on-the-road practice. For many it is difficult to comprehend the patience of a drivers education instructor. The Drivers Education Department has an important goal—to produce responsible drivers. The first nine weeks of training is designated to the basic rules and fundamentals of the road. This training is accomplished in the classroom. Progression is finally and anxiously made to behind the wheel training. The departments' efforts lie in the realm of safety on the roads.

PHYSICAL EDUCATION

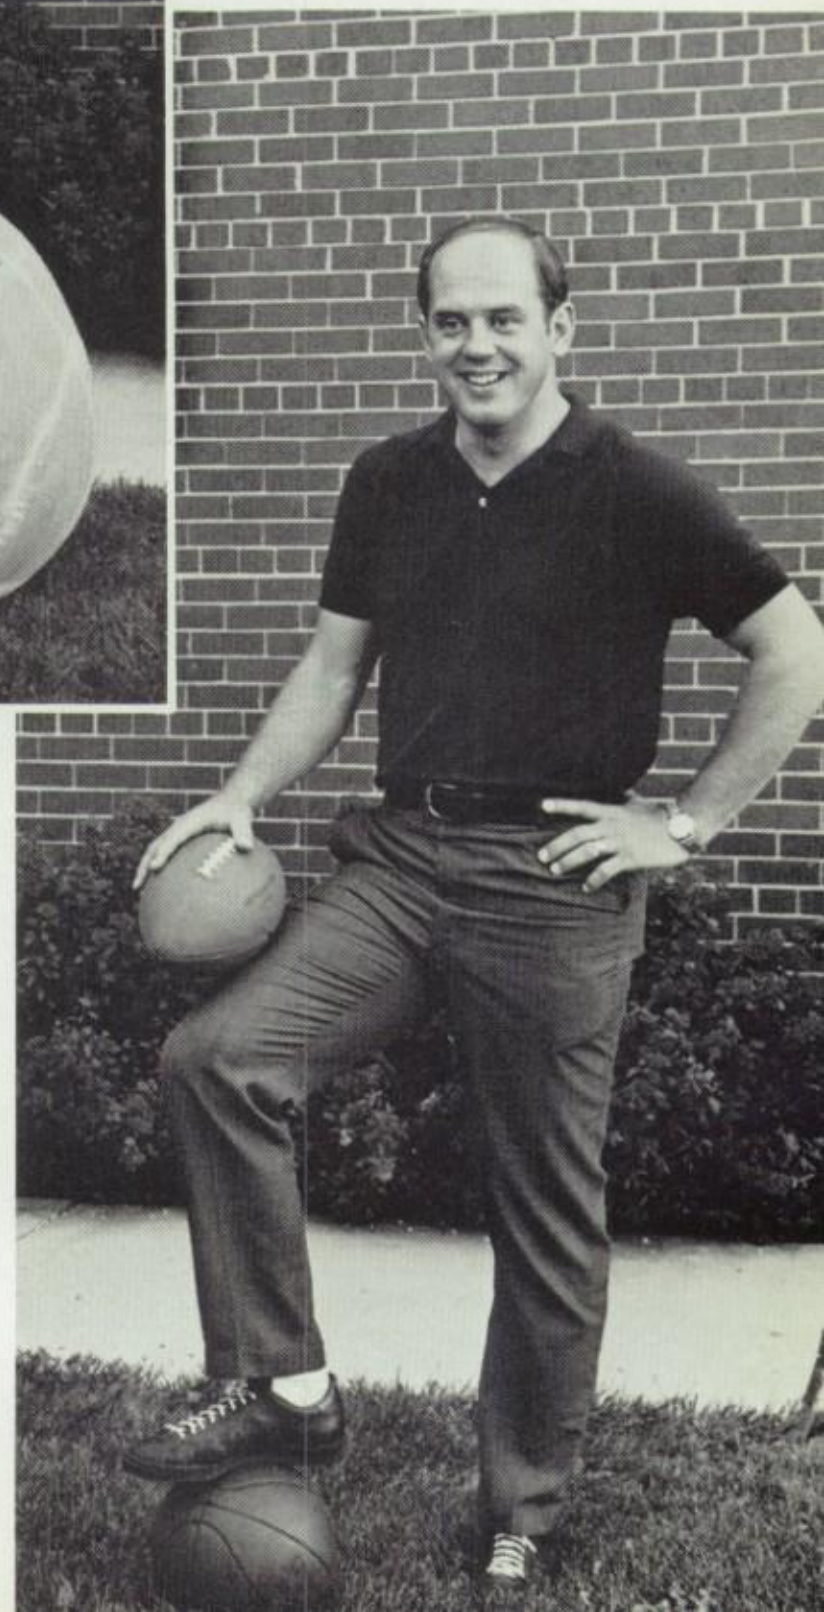

FRED SUCHY

JO ANN SCHAFFER

PAUL YANKE

"All right, line-up for role-call," a line heard quite regularly during the year in gym class. The Phy. Ed. Department strives to keep the students physically fit, but also wants them to have fun through their many activities such as; volleyball, gymnastics, basketball, soccer, badminton, and many more. Something new was tried this year in the department. Coach Suchy and Miss Schaeffer decided to have co-ed volleyball.

The department is always eager to make their programs better and more rewarding for the students of EHS.

A black and white portrait of a young woman with dark, shoulder-length hair, smiling. She is wearing a light-colored blouse with a ruffled collar and a decorative lace or embroidered line down the center.

HOME ECONOMICS

JUDY BEUCHEL

SANDRA HAZELTON

Through the courses the Home Economics Department offers at EHS, the involved students can prepare themselves for their future lives. The basics of sewing and cooking are taught but more advanced programs are also available for the interested student. Boys are also becoming more involved in the classes as many of the courses previously open only to girls were open to the boys as well. Through the skills that are learned, the department hopes to help the student better understand himself and community.

BUSINESS EDUCATION

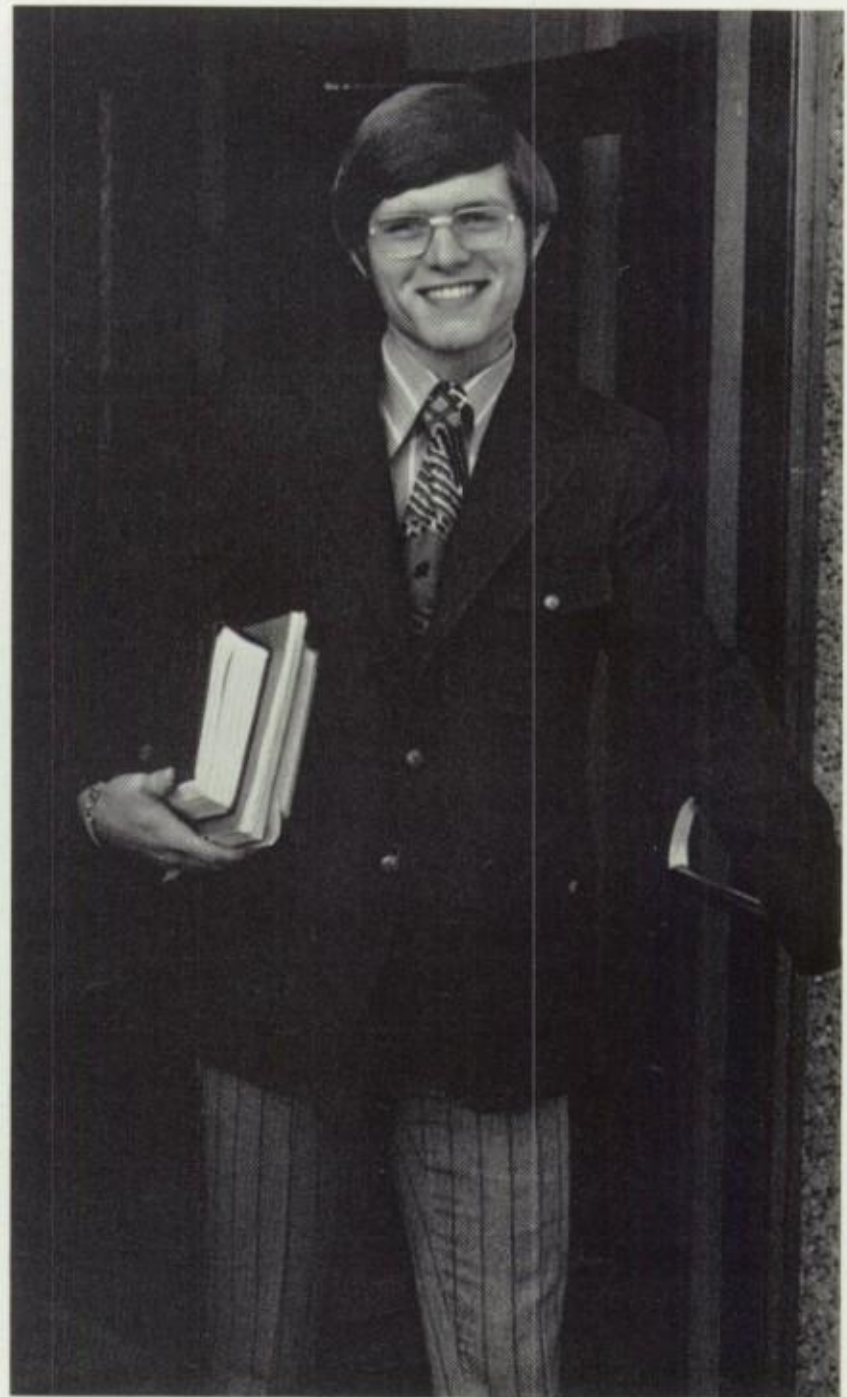

Students working toward the future by learning new and helpful skills find typing, shorthand and other business related courses helpful. The Business Education Department is cognizant of the need for courses which help prepare a student for his adult life—whether he seeks further education or enters the business world. The Business Department encourages students to develop standards of quality and to become acquainted with the principles and practices of modern business.

The purpose of the Industrial Arts Department is to help EHS students expand their knowledge of mechanics and other related courses. Drafting, Woodworking, and Plastics are but a few of the specialized courses offered by this department. After learning the basic skills at EHS, many students have used this training toward good jobs and more study in specific areas.

The Agriculture Department at EHS enables a student to attain knowledge and insight into the occupation of farming. Many students use the skills they learned here to go into agricultural related fields. The Agriculture Department seeks to instill an interest in the opportunities of agricultural work.

“WELCOME HOME GRADS”

*'71
BONFIRE*

The 1971 Homecoming theme was "Welcome Home Grads". This was the first year in many that participation and excitement roared to a peak. The floats, skits, bonfire, and game were highlighted with fun, competition and a lot of spirit. The dance had one of the best turn outs in many years and the student body was terrific. Homecoming is one of the biggest events in the year and this year proved that Homecoming can be a lot of fun. The game as usual

was filled to capacity and the crowds rumbled and cheered with anticipation and drive. The 1971 Homecoming was a success in every way, the school and especially the student body made this year the best ever. Next year's Homecoming "Grads"—the class of 72—will look back and be able to say that Homecoming '71 was the best ever, and we made it that way, with a lot of cooperation by the classes of '73, '74, and '75.

My mother put starch in my underwear.

Mr. Wehner, I have to go to the bathroom!

Listen Darlings!!!

I could have danced all night . . .

Who do you think you are, my mother or something!

Aw, come on Darlene . . .

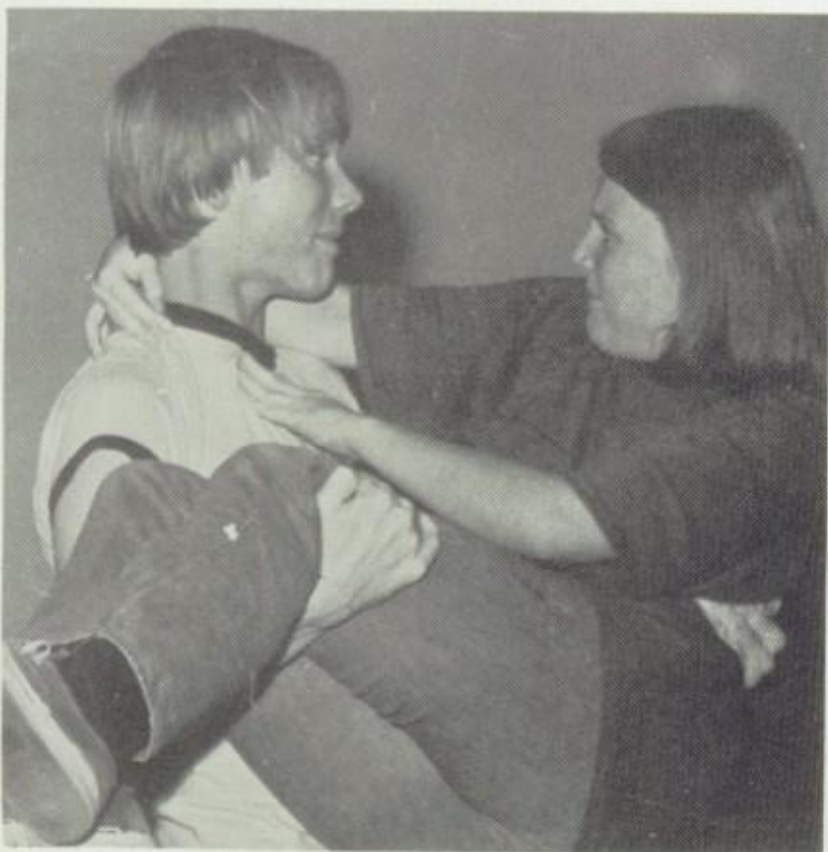

This is a day in the Diary of Darlene Pekul.

You think I'm short, My Mom's only this tall.

“THE MAN WHO CAME TO DINNER”

Ugh, Claire . . . You shouldn't have eaten that eighth hamburger!!

THE MAN WHO CAME TO DINNER, a three act comedy by George Kaufman and Moss Hart was presented as the fifth annual All School Play on November 11, 12, and 13.

Mr. James Wehner again directed the cast of 32. Mr. Michael Hensen producing his first show at EHS transformed the stage into a large, comfortable living room. Mrs. Patricia Wrezenski was again in charge of tickets and costumes.

The entire play takes place in the living room of Mr. and Mrs. Ernest Stanley. Sheridan Whiteside, radio orator, critic, lecturer, and wit was to be a dinner guest in the Stanley home. A piece of ice befalls him on the steps and he is confined to a wheelchair.

The play was a huge success with near capacity audiences for all three performances. Credit must be given to teachers and students who worked assiduously to make THE MAN WHO CAME TO DINNER a valuable learning experience for everyone involved.

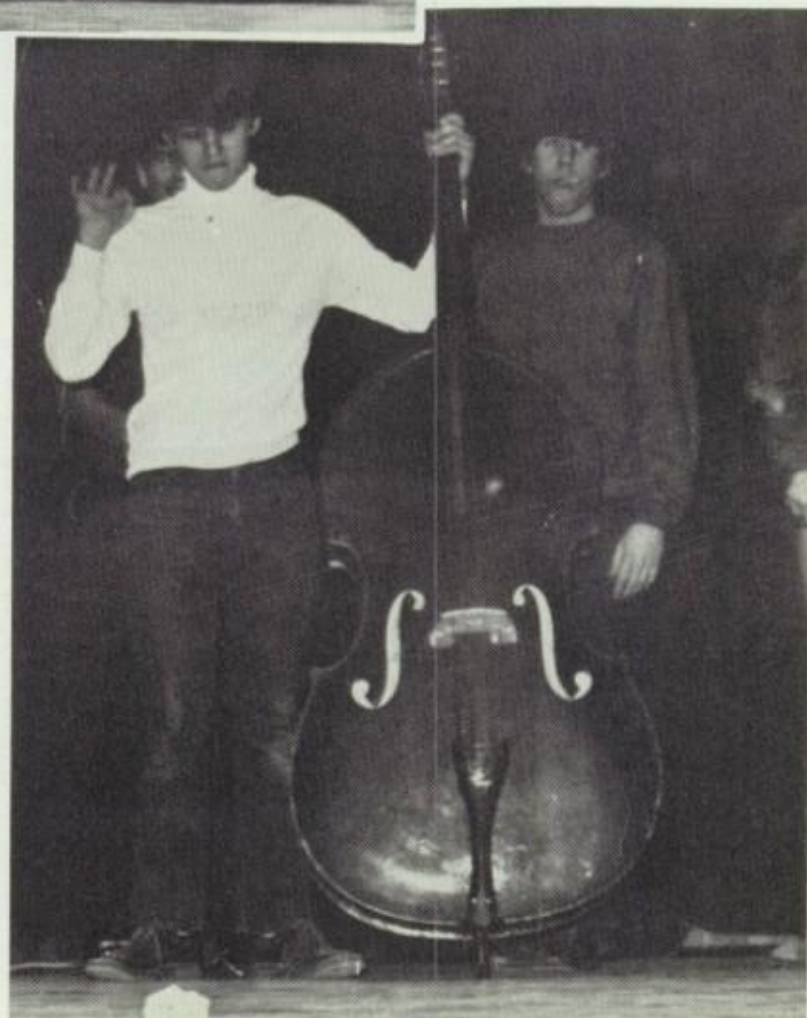

CHRISTMAS '71

The spirit of Christmas was very evident this year at EHS. It could be felt in various decorated rooms, in the cafeteria where friends exchanged gifts, or in the halls where each class was responsible for a bulletin board. The climax of the season however was at the Christmas Assembly. Each year the Student Council holds an assembly for the student body on the day before vacation. Santa Claus made his usual appearance and gave fitting presents to various students. After Santa left wishing all a Feliz Navidad, the Juniors took over and performed their skit. The Student Council also gave a skit which was a new asset this year. The AFS students received their presents. The Student Council led the school in Carols and the students were dismissed for their long awaited vacation.

ORGANIZATIONS

OFFICERS: W. Blakesley—President, R. Davis—Vice President, B. Dvergsdal—Secretary, S. Fossum—Treasurer.

The organization representing the student body is the Student Council. It is made up of five representatives from each class and the two foreign exchange students.

Each member has his own duties, such as organizing the different activities with the help of the other members. Some of these activities are Homecoming, Spirit Week, Play Day, Parents Night, Talent Show and the Spirit Cup.

The council, with the aid of Mr. Statz, work their hardest to achieve the goals expected to serve the student body.

The dream of peace among the peoples of the earth is perhaps not so much a figment of men's imagination when it becomes possible for people of a different culture, a different color, or a different language to live like brothers and sisters under one roof. The American Field Service makes peace a reality for the many people whom it allows to share their lives with others and thus learn about humanity in a different aspect than that of their own. Eager to teach us of foreign ways and ready to learn themselves—were Ann Raphias of Greece and Hirut Terefe of Ethiopia. These young people helped to create an everlasting bond of friendship between our community and themselves. Perhaps these small steps will contribute to the unity the world desires.

1972 AMERICAN EXCHANGE

This little paragraph isn't enough for me to express my feelings and my thoughts for my A.F.S. year in Elkhorn. I have a lot to learn yet, a lot of people to get along with every day, wherever I live. The tolerance I tried to practice here should stay with me forever. The A.F.S. taught me new ideals, the values of the life, and made me feel more human. I learned the ways for communication and understanding which are the keys to a peaceful world.

A.F.S. teaches you how to love a foreign country, and that if you want to win in the big struggle of life, you should always fight.

I'll never forget the beautiful American country, the friendly people, and especially my friends. I'm sure that the big ocean will never cross out our friendship. I learned so many things at school that I've never learned before. The experiences that I had are based on simple things, in the everyday life. Somebody said, "that the lessons for the future are written in the past." Well, these lessons are taken this year in the U.S. from the triumphs and failures, the good and the bad, the happiness and unhappiness, the laughs and the tears. Everything together has a meaning for me, and their influence, I hope will be seen in what I will try to do.

I'd like to thank all of you for everything you did and gave to me this year. Also, all of us should say a big thanks to the A.F.S. forever.

A.F.S.erly yours,

Ann Raphias

Dear Friends,

It is a great pleasure for me being an A.F.S. student in such a wonderful high school and community. I cannot express by words the feeling I had for everyone and the great experience I have had in this school. I'm very glad I had a good family and lovely high school like Elkhorn High. I would like to thank A.F.S. president to get me such a nice family during my staying as well for future.

The most unforgettable time I had with all the students and teachers is a great memory in my life. I would like to thank you for what you have done for me and friendship, generosity and spirit you offered me. I will never forget to keep fond memories of everyone wherever I will be. Very sad to say good-bye, but hoping to come back and see you once again. Thank you! Thank you! Good luck to everyone!

With love,

Hirut

Communication is the most basic and essential link between human beings. Forensics is an exciting, competitive, extra-curricular activity which allows students great freedom in choosing, writing, and interpreting speaking selections.

The season began in early February and lasted throughout the spring months until the final state contest in Madison. Many EHS students exhibited a "silver tongue" throughout the season.

NATIONAL HONOR SOCIETY

National Honor Society is an organization designed to honor the chosen 5% of the Junior and Senior classes who have shown outstanding performance in scholastic achievement and are found to have admirable personal characteristics. Its purpose is not to exclude some, but to encourage all to strive for the excellence that its' standards demand. Personal selection is decided by the invited applicants on why they are seeking membership. This year of "honor" was brought to an end with a banquet sponsored by the Elkhorn Kiwanis, and the presentation of a pin, and a letter of commendation to each student.

FUTURE HOMEMAKERS OF AMERICA

The future Homemakers of America have once again completed a very successful year. Under the leadership of an excellent slate of officers and an enthusiastic advisor, the organization prospered. The members worked hard to achieve and fulfill their goals, making special efforts to reach out to other people. Their many accomplishments enriched their lives as well as the lives of others.

THE ELK HORN STAFF

The Elk Horn made many steps this year toward a bigger and better school newspaper. Under editors LuAnn Clausen and Julie Hoffmann, The Elk Horn printed a couple eight page issues, held several raffles, went to the students for suggestions through an evaluation sheet and provided a few field trips for the staff. The staff's advisor, Mrs. Marilyn Fischer provided leadership and helped with enthusiasm.

The Elk Horn provided every student the opportunity to express himself through letters to the editors or by writing stories for the paper.

The journalism class helped students learn reporting techniques. The Elk Horn is an organization that helps students communicate and voice their opinions while benefiting the school. Their work for the student body is greatly appreciated.

AFS is looking for young people with an unusual ability to appreciate life in a new environment with a different culture and a different set of values, young people with curiosity, imagination, good humor, patience and concern for others. An American Abroad student has a rare opportunity for learning. He develops a better understanding of himself, and heightened sensitivity toward those who are unlike him. The 1972 Elk helps students relive accomplishments, organizations and student life at EHS. The Elk captures each student as they participate in various affairs. The annual provides lasting memories for each student. Competition, work, co-operativeness and pleasure is displayed through the many pictures.

Under Mrs. Behrens guidance, the staff acquired precision while working together. The supervision of editors Judy Hugunin and Dennise Adsit provided organization and leadership. It is difficult for many of us to realize the work involved in printing our Elk; we can only be grateful to the staff who worked so diligently to make this treasure-filled book possible.

CHOIR COUNCIL

The chorus joins together to sing in harmony, adding a nice musical note to the school. Like the band, the chorus takes part in the Christmas and Spring concerts. New robes added an additional sparkle to the production this year.

Several chorus members have proudly represented EHS in solo and ensemble contests. Through the chorus, students learn how to work together to make a good, harmonious product that they can truly be proud of. Mr. Anderson and his direction of the chorus truly represent the school in a fine way.

Under the direction of Mr. Ralph Hughes, the Elkhorn High School Band was another outstanding group.

The marching band provided enjoyable pre-game and half time shows at the football game. The pep band did an excellent job at pep rallies and basketball games.

In addition to these activities the band participated in the University of Wisconsin Band Day, the Christmas Concert, and the Spring Concert. Individual members displayed their talents at the local and district solo and ensemble contests.

The band successfully represented the school wherever they performed.

HORSE AND PONY CLUB

This year there have been quite a few EHS students who have interests in horses. They got together and formed a Horse and Pony Club. The members range from backyard riders to competition showmen. Meetings were set up every month where they tried to have some sort of clinic in which their knowledge of horses was widened. The group has formed many committees to get the club started, and much advancement has been made this year. Members are confident that this will be an established club for years to come.

FUTURE FARMERS OF AMERICA

FFA OFFICERS: D. Ganhs—Treasurer, T. Schmidt—Secretary, J. Clark—Vice President, R. Papcke—President, R. Pellman—Reporter, W. Wuttke—Sentinel, G. Moehling—Parliamentarian.

Members of the Future Farmers of America were given many opportunities to become involved with varied aspects of agriculture. They demonstrated their potential and ambitions throughout the year in areas of livestock, soil, and dairy products. By combining leadership and active participation under fine supervision, the FFA was able to accomplish and learn many concepts, enjoying their work as they progressed. The year was successfully terminated with the annual spring awards banquet, at which deserving members were honored.

AUDIO VISUAL

The Audio-Visual Department is of major importance to all instructors who employ teaching aids in their classroom. The film projectors, record players, and other equipment were distributed through the efforts of the A.V. men and their decisive director, Mr. Thieleke.

The spacious halls of EHS were once again patrolled by a group of students known as hall monitors. At various strategic points throughout the school, a lost or wandering student could seek directions from a "guardian of the halls." Besides inspecting passes, the monitors gave up their study halls to collect attendance slips, assist visitors, and run errands for teachers.

AV—T. Bleich, H. Hans, R. Frazer, J. Bagnall, K. Robers.

*They are not long, the weeping and the laughter,
Love and desire and hate;
I think they have no portion in us after
We pass the gate.*

*They are not long, the days of wine and roses;
Out of a misty dream
Our path emerges for a while, then closes
Within a dream.*

Brian,
Thanks for all the
help in geometry & it
was great sitting in front
of you in Biology. You're
one of the smartest guys
I know, please stay
that way.
See ya this summer.
Julie

Hope to see you
in chorus again next
year, and track (2 mile).
Good luck.

Brian

Bill P.
FUTURE YEARS.
GOOD LUCK BUTCH IN
THE TRACK NEXT YEAR!
YOU SHOULD
HAVE YOUR HAIRCUT
IN THE WOODS
THE FUNNIEST
YOU KNOW
WHAT THE FUNNIEST
AM GOOD ONE.

Brian
It sure was
one whole day
been one
a track season
and leak again next
year.
A.

Brian, know
 I don't know
 what to say to
 you are a really great
 kid so please don't ever
 change. Don't ever forget
 Mr. study hall. Thanks
 for always helping me with my
 always good luck always
 love

Cal - had a lot
 of fun this year,
 maybe next year - Good
 stay with you -
 Mark

Dear Brian,
 You are one of the kindest people
 in school, maybe the world -
 Good luck always. Love,
 Pat S.
 P.S. Don't ever
 forget Been Down.
 Hope you have
 fun next year.

Don't
 forget
 Mr. study
 hall -
 always
 good
 luck
 always
 love
 Pat S.
